5000.2064 Combined Claims for Refund on Behalf of Class of Taxpayers.

- (a) This section applies only to combined claims for refund of the Sales and Use Tax, including State-administered local sales, transactions, and use taxes.
- (b) Procedures Required of Class Representative. The representative claiming a refund on behalf of members of a class shall establish:
 - (1) That it is more beneficial to the class and to the State to proceed as a combined claim for refund rather than individually.
 - (2) The existence and the composition of the class, including:
 - (A) A description of the members sufficient to identify the persons making up the class.
 - (B) The approximate number of persons in the class.
 - (C) The manner in which and the time when the class members shall be identified and notified of the pendency of the combined claim.
 - (3) The issues of law and the issues of fact that are common to all class members and those that are not, and the approximate number of class members affected by each issue that is not common to all.
 - (4) The representative's written authority to act as representative for each class member, which authority shall authorize the Board Staff to release to the representative any confidential information in the Board's files that may be required in connection with the claim. This statement may include a separate claim for refund by the class member or may state that the class member joins in the combined claim.
 - (5) That the representative is a member of the class and when and how the representative became a member. In addition, any unique legal or factual issues pertaining to the representative's claim and any differences between the representative's status as a class member and that of any other class member shall be described.
 - (6) That the representative can fairly and adequately protect the interests of each member of the class and that the representative's interests are not antagonistic to members of the class.

- (7) When requested by the Board Staff, that each member of the class has been notified of the pendency of the claim and each member has had a reasonable opportunity to join in or be excluded from the combined claim.

(c) Action to be Taken by Board Staff.

- (1) If the Board Staff finds that the claim is a proper combined claim it shall, to the extent possible, act upon the claim in the same manner that it would act on any other claim. If the Board Staff finds that the claim is not a proper combined claim, it shall act only on claims by individual members and notify the representative that the claim is not valid as to others. In determining the amount of any refund due to any member of the class, the refund shall be limited to the amount of tax overpayment by that member under the tax law pursuant to which the claim was filed.
- (2) Before a refund will be made to any member of the class, the amount of the tax overpayment by the member shall be established and the representative or member shall furnish or make available to the Board Staff all contracts, documents, or records (or copies thereof) necessary to verify the overpayment and the amount thereof. If such contracts, documents, or records are not presented to or made available to the Board Staff, the representative or member, shall be deemed to have failed to exhaust the administrative remedies.

(d) Effect of Action on Combined Claims.

- (1) Failure to commence a court action within 90 days after the mailing of the notice of the Board's action on a refund claim as provided in the tax law pursuant to which the claim was filed constitutes a waiver of any demand against the state on account of alleged overpayments. This waiver, however, does not apply with respect to persons who have not previously been notified of the claim, or who have notified the Board Staff that they desire to be excluded from the combined claim. Nor does the waiver apply with respect to persons involved in a claim to the extent it has been declared invalid as distinguished from persons as to whom a claim has been denied.
- (2) A judgment in any court action filed with respect to the denial of any claim is res judicata as to the claimant's tax liability or overpayments for the period involved.

5000.2102 Rescheduling or Postponing Appeals Conferences.

- (a) The Board encourages the use of electronic means (i.e., facsimile, e-mail, etc.) for the filing of requests to postpone or reschedule an appeals conference. A request to postpone or reschedule an appeals conference may be filed electronically pursuant to this section if it is transmitted to the Board Proceedings Division in accordance with instructions provided on the Board's website at www.boe.ca.gov. Requests to postpone or reschedule an appeals conference may also be hand delivered to the Board's headquarters at 450 N Street in Sacramento, California, or shall be mailed to the:

Board Proceedings Division, MIC: 97
State Board of Equalization
P.O. Box 942879
Sacramento, CA 94279-0097

The Chief of Board Proceedings may reject any request to postpone or reschedule an appeals conference filed in any manner that is not authorized by this section. A request to postpone or reschedule an appeals conference may also be hand delivered to the Board's headquarters at 450 N Street in Sacramento, California, or filed electronically (e.g., facsimile, e-mail). A request to postpone or reschedule an appeals conference may only be filed electronically pursuant to this section if it is transmitted to and received by the Board Proceedings Division in accordance with instructions provided by the Board.

- (b) Rescheduling. If there is a scheduling conflict for an appeals conference scheduled to be held in-person at headquarters, by videoconference or by telephone, the appeals conference may be rescheduled with the same conference holder generally within 30 days to accommodate the parties. At the discretion of the Chief Counsel or his or her designee, a second rescheduling may be allowed. The Board Proceedings Division may reschedule an appeals conference scheduled to be heard at a district office to a different district office, to headquarters, to a videoconference, or a telephone conference, or may postpone the appeals conference to the same district office as provided in subdivision (c).
- (c) Postponement. Postponements are only applicable to appeals conferences that are scheduled at a district office. A postponement results in the case being placed back into the inventory of unassigned cases and reassigned when appeals conferences are subsequently held at such district office. If a party requests a postponement of an appeals conference to be held at a district office within 15 days after the date of the Notice of Appeals Conference sent by the Board Proceedings Division and has sufficient justification for requesting the postponement, the Chief of Board Proceedings may allow the postponement. If a party requests a postponement of the appeals conference later than 15 days after the date of the Notice of Appeals Conference, and can demonstrate extreme hardship (e.g., illness, death, disaster) for requesting the postponement, the Chief Counsel or his or her designee may allow the postponement. While only one postponement may be granted, an appeals conference may be rescheduled as provided in subdivision (b).

5000.2104 Conducting the Appeals Conference.

- (a) Conference Holder. The appeals conference will be held by an attorney or auditor assigned to the Appeals Division who has not had any prior involvement in the matter being discussed at the appeals conference. It is the responsibility of the conference holder to take a fresh look at the law and the facts and make his or her own objective recommendation.
- (b) Audit Representative. Generally, a representative from the Board's audit staff will be present at the appeals conference to provide the audit staff's reasons for determining that a tax or fee is due, a claim for refund should be denied, or a request for relief should not be granted. Where appropriate, a representative of the Board's collection staff will be present at the appeals conference instead of a representative from the Board's audit staff.
- (c) Other Agency Representatives. A representative from a state agency other than the Board may be present at appeals conferences where the tax or fee at issue is administered by the representative's agency. Such a representative will provide its agency's reasons for determining that the tax or fee at issue is due or should not be refunded.
- (d) Nature of Appeals Conference. The appeals conference is not an adversary proceeding, it is an informal discussion of the relevant facts and applicable laws. As such, it is important that all relevant information be presented to the conference holder.
 - (1) A party may submit additional written arguments and documentary evidence to the Appeals Division at any time before or during the appeals conference. (When possible, such arguments and evidence should be submitted within 10 days of receipt of a Notice of Appeals Conference.)
 - (2) If any party requests permission to submit additional written arguments and documentary evidence at the appeals conference, the conference holder may grant that party 15 days after the appeals conference to submit such arguments and evidence. If there is sufficient justification, the conference holder may also grant the requesting party an additional 15 days to submit additional written arguments and documentary evidence. No further extensions of time to submit additional written arguments and documentary evidence will be granted without the approval of the Assistant Chief Counsel for the Appeals Division or his or her designee.
 - (3) If a party submits additional written arguments and documentary evidence after the appeals conference, the other party will be granted 15 days to respond to such arguments and evidence.
- (e) Failure to Appear. If a petitioner, claimant, or person requesting relief, or an authorized representative fails to appear at an appeals conference, the conference holder will still hold the appeals conference as scheduled.

- (f) Once the appeals conference is concluded, the conference holder will take the petition, claim for refund, or request for relief under consideration.

 - (2) Grant the petition, claim, or request for relief in its entirety.
 - (3) Grant the petition, claim, or request for relief in part.
 - (4) That the appropriate department re-audit the issues raised in the petition, claim, or request for relief as specified in the Decision and Recommendation.

(b) If the Decision and Recommendation recommends denial of the petition, claim, or request for relief in whole or in part, the petitioner, claimant or person requesting relief may:

(A petitioner, claimant, or person requesting relief who has previously requested an oral hearing before the Board on the same petition, claim, or request for relief does not need to request an oral hearing at this time.)

(A) If an oral hearing is or was requested, the Board Proceedings Division will schedule an oral hearing before the Board, unless that request is waived. However, an oral hearing will not be provided if an oral hearing is not required by statute and the Board declines to grant such person a discretionary oral hearing.

(B) If an oral hearing has been requested, but it is unclear whether the petitioner, claimant or person requesting relief disagrees with any portion of its Decision and Recommendation (or supplemental Decision and Recommendation) Board staff shall:

- (i) Contact the petitioner, claimant, or person requesting relief to inquire as to the existence of such disagreement; and

However, an oral hearing will not be provided if an oral hearing is not required by statute and the Board declines to grant such agency a discretionary oral hearing.

- (e) If the Appeals Division receives a request for reconsideration, the Appeals Division will prepare a Supplemental Decision and Recommendation addressing any new information provided in the request for reconsideration. The Appeals Division may also issue a Supplemental Decision and Recommendation as necessary to clarify or correct the information, analysis, or conclusion contained in a Decision and Recommendation or prior Supplemental Decision and Recommendation. Note: There are two alternative briefing schedules for chapter 2. Alternative 1 expands the Board's current briefing schedule. Alternative 1 gives taxpayers 20 days from the date the Board issues the Notice of Board Hearing to file an Opening Brief, the Department 20 days to file a Reply Brief, and taxpayers 15 days to respond to the Department's Reply Brief. Alternative 1 also gives the Appeals Division 20 days to review all the briefing, determine whether any additional briefing may be appropriate, and prepare a Hearing Summary. Alternative 2 represents the Board's current briefing schedule. Alternative 2 gives taxpayers 15 days from the date the Board issues its Notice of Hearing to file an Opening Brief, the Department 15 days to file a Reply Brief, and taxpayers 15 days to respond to the Department's Reply Brief. Alternative 2 only gives the Appeals Division 15 days to review all the briefing, determine whether any additional briefing may be appropriate, and prepare a Hearing Summary. If Alternative 1 is adopted, staff will amend section 5000.5006 of chapter 5 to require the Board Proceedings Division to issue Notices of Board Hearing at least 75 days prior to a taxpayer's scheduled hearing, instead of the current 60 days. This procedural change will provide the additional briefing time without lengthening the administrative review process.
